

## OPERATIONS AT CBW FOR ANY IMPORTING UNIT

When any Importing Unit is registered and declares all the Bonds (CBW) from where the Unit shall be operating, the portal assigns unique username to all such combinations. This means for each Importing Unit shall have different Login User Name at each CBW.

The Importing Unit at each Bond shall have to maintain record of the Stock of all the Liquor Items, which had been registered for Sale in U.P. To facilitate the IU in maintaining the record, following options had been Provided.

### Opening Stock

This is one time activity. The Importing Unit has to record the current stock of the Liquor at CBW.
